

## Maryland Kids In Safety Seats Video Car Seat Assistance Program

*Learn how to keep your child safe in the car while you stay safe at home!*

Maryland Kids In Safety Seats offers Video Car Seat Assistance appointments for remote education and guidance on your car seat as well as installation assistance.

*Via: Facetime, Duo, Google Hangouts, and Skype!*

**Sign up  
for an appointment!

*"Thank you for making a remote video call so helpful, and personable. I feel a lot better prepared for when our little one comes."*

*"Great session, helped clear up a lot of concern about proper installation of the seat. Thank you!"*
