

Get a Covid-19 Vaccine

- **Stay Healthy**
- **Keep Working**
- **Help Your Family**

What you need to know about the vaccine:

- Individuals ages 5+ can receive the vaccine, with full FDA approval for ages 16+.
- COVID-19 vaccines are safe with minor side effects for most people. They do not cause COVID-19.
- Getting the vaccine will help end the pandemic.

**COVID-19 VACCINES
AND BOOSTERS ARE
SAFE AND EFFECTIVE.**

LET'S END COVID, MARYLAND.
